RADNOR TOWNSHIP DELAWARE OHIO

REPORT FROM THE CHAIR - DAN BOYSEL

Summer has moved along quickly and is full of accomplishments in the township. Roadwork was the main focus this summer with new pavement put down on Gallant, and Penry Road. Soon after the completion of Penry Road, a large crane truck had an accident causing the closing of the road for a week and approximately \$20,000 in repairs to the roadbed.

Updates on the road mowers as well as trucks repaired and readied for the winter. In the last edition of the newsletter, we showed off the purchase of a new fire truck. The prices of trucks and necessary equipment continue to escalate, as this one ended up over \$620,000 plus needed equipment.

Trick or Treat in Radnor is **Monday October 31** from 6:00- 8:00 PM. Be safe! And don't forget to exercise your right to vote on **Tuesday, November 8th**. Your vote counts!

RADNOR FIRE DEPARTMENT PROMOTES FIRE PREVENTION MONTH

The Radnor Township Fire Department is teaming up with the National Fire Protection Association® (NFPA®)—to celebrate the 100th anniversary of Fire Prevention Week™ (FPW), October 9-15, 2022. This year’s FPW campaign, “Fire won’t wait. Plan your escape™,” works to educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires.

The Radnor Township Fire Department encourages all residents to embrace the 2022 Fire Prevention Week theme.

“It’s important for everyone to plan and practice a home fire escape. Everyone needs to be prepared in advance, so that they know what to do when the smoke alarm sounds. Given that every home is different, every home fire escape plan will also be different,” said Randy Butts, Fire Chief. *“Have a plan for everyone in the home. Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure that someone will help them!”*

Here are key home fire escape planning tips:

- Make sure your plan meets the needs of all your family members, including those with sensory or physical disabilities.
- Install Smoke alarms inside every sleeping room, outside each separate sleeping area, and on every level of your home. Interconnect smoke alarms so when one sounds, they all sound.
- Know at least two ways out of every room, if possible. Make sure all doors and windows open easily.
- Have an outside meeting place a safe distance from your home where everyone should meet.
- Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at least once during the day and at night.
